Setting up your Fundraising Page for a charity

It's quick and easy to set up a Fundraising Page for a registered charity. If you'd like to run your own project to help a friend in need or a local or overseas community, JustGiving Crowdfunding can help make it happen.

Just follow the steps below to create your page for a charity:

- 1. Log into your account** and click 'Start Fundraising'.
- 2.** When asked 'Are you fundraising for a registered charity?', select 'Yes, continue'.
- 3.** Search for the cause you want to support. If they're not listed, **nominate them to join** and we'll drop them an email with instructions on how to sign up.
- 4.** Let us know whether you're taking part in an event, celebrating an occasion, fundraising in memory or doing your own thing.
- 5.** If you can't see your event listed, select 'Add your own' at the bottom of the page and tell us a bit more about your activity.
- 6.** Choose your web address – this is the link you'll be sharing with friends and family when asking them to donate.

7. Tick 'Yes' if you're running a bake sale, or selling tickets to an event, raffle or auction. Donations to your Page won't be eligible for Gift Aid. **Find out more here.**

6. Click 'Create your page'.

Job done! Your Fundraising Page is now set up and ready to accept donations. We'll send the money that you raise to your charity on a weekly basis. Now you can start on the fun stuff – **personalising your page** and **sharing it** friends and family.
